

# ECONOMICS

De Gruyter is a leading independent academic publisher with a history of scholarly publishing dating back more than 260 years. We publish cutting edge scholarly work including: monographs, handbooks, journals and databases.

We are rapidly developing our lists of new publications in economics and business aimed at the international market.

We are particularly interested in signing new series of research monographs and new handbooks in key areas of economic and business research.

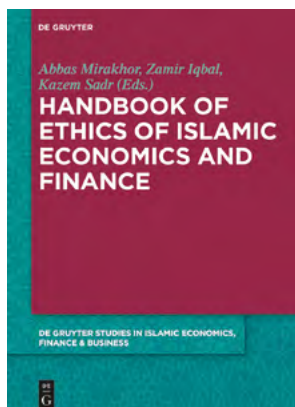

## WE OFFER

- ▶ A long tradition of publishing expertise
- ▶ The opportunity to publish with a leading European scholarly publisher that has a global reach in terms of markets and readership
- ▶ A strong and growing portfolio of journals
