

HISTORY

De Gruyter Oldenbourg is the leading German academic publisher for History and publishes both in English and German. The international catalog includes topics across all periods of history, from the Middle Ages to the present, with an emphasis on early modern and contemporary history. We publish cutting edge scholarly work; monographs, journals, reference books, and source editions. Generations of students have used our series of textbooks on their career to becoming historians. We partner with top tier research institutions and academies across the globe and provide them the tools to communicate their research results. Being both a pioneer and an authority in the field, De Gruyter Oldenbourg have been a firm advocate of open access for years.

Database

For the first time, the database offers the complete, unabridged, edited diaries of Victor Klemperer, the chronicler of 20th century German history. From 1918 until 1959, as the “cultural historiographer of the catastrophe,” the Romance philologist and converted Jew chronicled the process of disenfranchisement of the Jews and at the same time documented day-to-day life from the time of the Weimar Republic until the early days of the DDR.

Facts & Figures:

- ▶ Over 11,000 pages – about half of them previously unpublished
- ▶ Total circulation of the printed edition of the diaries 1933–1945: 500,000 copies, with translations in 17 countries
